**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please leave the current status of ISP provider as is.

If anything, we should encourage more competitive access. Take my case for example, I am a residential user of a local ISP named Sonic. And the service and support that I'm getting from them is far more superior to AT&T which I used to have for almost 5+ years. Therefore, all of that is made possible by the competitive access currently allowed.
